

Welcome to the Winter issue of Take Note, the quarterly ezine from your Partnership Managers at NHS Health Scotland.

As we bid farewell to 2008, we look forward to what's on the horizon from NHS Health Scotland and partners over the next three months. Simply click on the links provided to access either an

individual area of work, or for a comprehensive overview of all our activities. Please feel free to forward this email on to other colleagues.

The New Year sales are on which can only mean one thing - we are about to enter the busiest time of year, as reflected in the sheer volume of upcoming events and publications. Some of the visible signs of our wide-reaching health improvement activity include:

- Revised editions of the ever-popular **Ready Steady Baby!** and **Scotland's Mental Health First Aid** training material
- Phase II of the campaigns to raise awareness of Meningitis and the HPV immunisation programme.

And finally, a date for your new diary. The next Partnership Management Programme event will be held in Glasgow on 21 January. More details to follow.

In the meantime, from all of us at NHS Health Scotland, we wish you a happy, healthy, wealthy and wise 2009.

Miriam O'Connor OBE
Head of Partnership
Management Programme
