

# HI-NET

## LINKING YOU IN TO HEALTH.

### HI-Net: a single point of access for health improvement across Grampian

- Keep in touch with the latest health improvement news and information.
- Access key documents and comment on consultations.
- Promote conferences, workshops and training events.
- Promote your work with updates on your projects.
- Share your knowledge and learn from others working in the health improvement community.
- Opportunity to have a private area accessible to your team or organisation.

For more information contact the HI-Net Advisor on [hinet@nhs.net](mailto:hinet@nhs.net) or 01224 558654.
