Obtaining full text journal articles

Please note that the full text of most of these articles can be obtained using an NHS Scotland Athens username and password.

You are eligible for an Athens username and password if you work in Scotland and fall into any of the following categories:

- NHS staff
- Anybody working in partnership with the NHS

You can obtain an Athens username and password by registering on the Knowledge Network website: [http://www.knowledge.scot.nhs.uk/login.aspx](http://www.knowledge.scot.nhs.uk/login.aspx)

NHS staff requiring access to full text articles that are not available via this route should contact the library service in their local NHS Board.

Other subscribers should contact us on the number below for further information on how to obtain full text articles.
